Feeds Like Share

Philip Lowe

Director General, Energy DG

EUROPEAN COMMISSION

Following a period in the manufacturing industry, Philip Lowe joined the European Commission in 1973, and held a range of senior posts as Chef de Cabinet and Director in the fields of regional development, agriculture, transport and administration, before becoming Director-General of the Development DG in 1997. From September 2002 he was Director-General of the Competition DG until he took up his current appointment as Director-General of the Energy DG in February

Linhua Guan

Strategy Manager

STATOIL

Linhua Guan is a strategy manager in Statoil Global Strategy and Business Development area and he has been working for Statoil since 2006. Previously, he worked for Chevron and CNPC, respectively. He received a BE degree in petrophysics and an MS degree in petroleum geology from China Petroleum University, an MS degree in petroleum engineering from Texas A&M University, and an MBA degree from Rice University. Linhua is a registered petroleum engineer in Texas and served as a committee member for RPSEA's Deepstar Reservoir Engineering Committee & SPE Continuing Education Committee. He has published more than 30 technical papers in the past 19 years.

Thierry Bros

Senior Analyst, EU Gas & LNG

SOCIETE GENERALE

Thierry Bros was appointed Senior European Gas and LNG Analyst for Société Générale's Commodities team in 2010, having joined the group in 2007 as a Senior Financial Analyst to provide recommendations on listed pan-European gas stocks and in-depth research on gas issues. From 2002 to 2007, Thierry was a Senior Oil & Gas expert at the French Ministère de l'Economie des Finances et de l'Industrie, where he represented France on oil markets and advised on emergency issues at the International Energy Agency (Paris), the European Commission and the Energy Charter (Brussels). His responsibilities included providing global oil and gas industry reviews to senior French officials and negotiating European directives. Dr. Bros is also a visiting faculty professor at several universities. Since 2011, Thierry has also regularly chaired sessions at the United Nations Gas Centre (Geneva). He is the author of the book *After the US shale gas revolution* published, in 2012, by Editions Technip.

Philip Wolfe

Managing Director, Head Energy, EMEA

UBS INVESTMENT BANK

Philip Wolfe joined UBS as Co-head of Energy, EMEA in June 2010 and is responsible for the coverage of EMEA oil & gas clients and the execution of transactions in the global oil & gas industry. Prior to joining UBS he was Global Head of Oil & Gas at HSBC. Previously, Philip worked at Deutsche Bank and Merrill Lynch in London, New York and Singapore. Over a twenty year oil & gas investment banking career Philip has advised on various strategic and financing transactions for both NOCs and IOCs, including Saudi Aramco, PetroChina, Rosneft, PDVSA, PTT, OMV, MOL, PGNIG, INA, BP, Shell, Total, Premier Oil and Dragon Oil.

Paul Beat

Global Director – Oil & Gas

CONTROL RISKS

Paul Beat is responsible for the delivery of the company's services to its Oil & Gas client base throughout the world. Paul advises clients on developing and implementing strategies to reduce the risks to people, information and physical assets, particularly in complex or hostile environments. Paul's extensive knowledge of operating in Africa and the Middle East helps him to assist companies to operate securely and efficiently. Before joining Control Risks in 2000, Paul spent seven years as a security adviser for a large multinational. During this period he advised on management security and community policies, emergency response policies, mass evacuation, extortion and fraud, as well as human rights issues. Paul appears regularly on News channels to comment on crisis management, maritime security and current affairs. Paul holds a Diploma in Security and Risk Management from Leicester University. He lives in Cape Town with his family.

André Abadie

Managing Director, Global Environmental & Social Risk Management

J.P. MORGAN

André is Managing Director and head of Environmental and Social Risk Management at J.P.Morgan in London, where he guides the assessment of environmental and social issues associated with a broad range of banking transactions. André was previously Director at Sustainable Finance Ltd., focusing on the delivery of environmental and social risk
